

# **REGIONAL RECIPROCAL ARRANGEMENT – APRIL**

## **2009**

KEYSBOROUGH

AMSTEL / RANFURLIE

PATTERSON RIVER

LONG ISLAND

SANDHURST

FLINDERS

ROSEBUD

In today's competitive market place, golf clubs are continually looking for ways to set themselves apart, and Cranbourne is pleased to announce the addition of Rosebud Country Club to the regional reciprocal arrangement. Since 2007, this initiative has allowed Club members limited reciprocal privileges at the 6 clubs listed above, and with the addition of Rosebud, the list has now grown to 7. The initiative features a complimentary 18 hole game of golf for 7 day (Ordinary) Members at each of the above clubs, and provides other membership categories access to these courses at Members guest rates, with eligibility to play in some competitions. This reciprocal agreement is reviewed annually and possible further benefits may be introduced over time to add value to your golf club membership.

### **Every member will be entitled to the following base benefits:**

- Unlimited rounds of golf at each Club's member guest rate, with option to take a guest at the same rate
- Chance to play within competition fields (where eligible) upon payment of daily comp fee
- Access limited by the playing rights you hold at Cranbourne – ie 5 day members cannot book Sundays
- ALL play subject to availability and booking at the host club discretion

### **Every member with 7 Day playing rights at Cranbourne (except Junior Members) will be entitled to the following premium benefits:**

- One (x1) complimentary 18 hole round at each participating club - generally available Sunday to Friday – subject to booking and availability
- No Saturday access
- Sunday Afternoon access only
- 48 hour booking notice between Christmas Eve and Australia Day
- Members to receive a Reciprocal Card with 7 free games which remains valid for the Club's financial year. All clubs agreed that irrespective of their financial year, Cards will be honoured for each Club's full financial year
- Cards are not transferable. Members must carry supporting ID in the form of their Golfink card and Driver's License.

*We trust that you will enjoy this great initiative that brings added value to your membership here at Cranbourne.*
